

NKASIRI ADVENTURE PARK

2026 RATE CARD

“Discover your wild”

About

Nkasiri Adventure Park, nestled in the scenic landscapes in Kitengela, Kenya, stands as a testament to thrilling outdoor adventure combined with a deep commitment to environmental sustainability.

As a proudly "green park," Nkasiri actively integrates eco-friendly practices into its core operations, ensuring a memorable experience for guests that also respects and preserves our natural heritage.

Nkasiri has over time been twisted for a Swahili word "Ka- siri" (a small secret) loosely translated to Ni-kasiri , a perfect hideout where people go to play, dine, adventure and discover their wild.

Nkasiri Adventure Park is Kenya's' best Team Building hosting grounds with thrilling adventure fun activities, Accommodation and Dining facilities that offers memorable experiences. Ideal for corporates , families and individuals looking for a thrilling adventure within Nairobi.

TEAM BUILDING AT NKASIRI

ADVENTURE PARK

Team building is no longer just a recreational day out; it is a live audit of your organization's operational architecture.

Nkasiri Adventure Park delivers high-impact, experiential packages engineered to eliminate decision-making latency, resolve internal friction, and maximize unallocated leadership capacity.

We place teams in controlled, high-pressure environments—leveraging our multi-level high ropes courses, zip lines, and tactical obstacle challenges—to expose communication gaps and operational bottlenecks in real time.

OUR PACKAGES:

- 1. THE GOODLIFE GATEAWAY TEAM BUILDING PACKAGE - 10,900/=**
- 2. ADVENTURE PARK RESIDENTIAL TEAM BUILDING - 14,900/=**
- 3. FUN SOFT LIFE - 4350/=**
- 4. HARD LIFE - 4850/=**
- 5. NINJA - 5100/=**
- 6. WEA - 5450/=**
- 7. MAFA - 5950/=**

Our approach to corporate transformation is rooted in immersive, experiential learning. Moving far beyond the limitations of traditional classroom settings, Nkasiri utilizes Stress-Induced Diagnostics driven by our park's unique, high-adrenaline infrastructure. We place teams in controlled, high-pressure environments—leveraging our multi-level high ropes courses, zip lines, and tactical obstacle challenges—to expose communication gaps and operational bottlenecks in real time.
